

# SEMMELVWEIS SHOP

Like the biggest universities in the world, our students can proudly wear and use our quality products with the university logo from the very first day of their studies.

It is important for us that the quality and design of our products available in the Semmelweis Shop denote the 250-year-old history and traditions of Semmelweis University and our common commitment to be among the best universities in the world.

Show where you belong!
